SECOND INFORMATION DISCLOSURE STATEMENT

Sir:

This Information Disclosure Statement includes a copy of Form PTO-1449 that identifies two technical publications. These technical publications were uncovered by counsel in an effort to address the office action. The attached references were helpful to counsel and may be helpful to the Examiner. The relevancy of these documents is described in the Remarks section of the Amendment filed concurrently with this Information Disclosure Statement. These references are not believed to be at all relevant to the claimed invention, but provide a layman's explanation of some of the term used in the claims and relevant in this art area.

Respectfully submitted,

Gerald E. Hespos
